

# Hatch Steel Technologies

## Hatch Coilbox Design Reference List

Project	Company	Location	Scope of Work	Completion
NKMZ-MMK 2500mm Coilbox	Magnitogorsk Iron and Steel	Magnitogorsk, Russia	Supply of detail engineering, automation, hydraulic items, electrical drives, technical services and commissioning	Current
Anling 1700mm Coilbox	Angang International Trade Corp	Chaoyang, PR China	Supply of detail engineering, automation, technical services and commissioning	Current
Lingyuan 2250mm Coilbox	Lingyuan Iron and Steel	Loudi, PR China	Hatch Coilbox Design provided by CFHI under license from Hatch	2009
Ansteel 1580mm Coilbox	Angang International Trade Corp	Yingkou, PR China	Supply of detail engineering, automation, technical services and commissioning	2009
Rizhao 2150mm Coilbox	Rizhao Iron and Steel	Rizhao, PR China	Hatch Coilbox Design provided by CFHI under license from Hatch	2009
Chengde 1780mm Coilbox	Chengde Iron and Steel	Chengde, PR China	Supply of updated detail engineering	2008
Zaporozhstal 1680mm Coilbox	Zaporozhstal JSC	Zaporozhye, Ukraine	Design and supply of mechanical, hydraulic, electrical, automation equipment; plus control software, installation and commissioning assistance	2007
Hyundai 2080mm Hybrid Mandrelless Transfer Upgrade	Hyundai Steel	Dangjin, South Korea	Detail design of pinch roll leveller, uncoiling guides and uncoiling equipment, installation and commissioning assistance	2006
Tangsteel 1700mm Coilbox	Tangshan Iron and Steel	Tangshan, PR China	Basic design, design consultation, shop and site inspections, technology services, commissioning assistance	2005
Corus 2030mm Hybrid Mandrelless Transfer Upgrade	Corus Strip Products UK	Port Talbot, Wales	Detail design, installation assistance, technology services and commissioning assistance	2005
Laiwu 1500mm Coilbox	Laiwu Iron and Steel	Laiwu, PR China	Basic design, design consultation, shop and site inspections, technology services, commissioning assistance	2005
SSAB 1900mm Coiling Area Upgrade	SSAB Tunplat	Domnarvet, Sweden	Detail design, technology services, installation and commissioning assistance	2003
Lake Erie 2050mm Coilbox Upgrade	US Steel Canada	Nanticoke, Canada	Supply detail mechanical and electrical engineering, process technology	2001
Geneva Steel 3350mm Hybrid Mandrelless Transfer	Geneva Steel	Provo, Utah	Basic design or pinch roll leveller and holdback assembly	1998
Severstal Coilbox	Severstal JSC	Cherepovets, Russia	Mechanical, Electrical and Automation supply, installation and commissioning assistance	1997
Bluescope 2050mm Coiling Area Upgrade	Bluescope	Westernport, Australia	Detail design, technology services, installation and commissioning assistance	1994
